

# Expert Pediatric Rehabilitation

At Northwestern Medicine Outpatient Pediatric Rehabilitation Services, we recognize the unique needs of each child and their family.

Our certified, licensed therapists offer physical, occupational and speech-language therapy in a child-friendly setting to help your child reach their full potential. And we have locations in Chicago and across the surrounding suburbs, close to where you live and work.

---

## What you can expect:

---

One-on-one therapy sessions that are tailored to your child's unique needs

Evaluations and reports on your child's progress

Support for parents and siblings

---
